We will take a road that winds over the mountains north of Cusco. On the way we will stop at a point known as El Mirador, from where we will be able to see the whole **Sacred Valley** and receive a good insight of the Inca history. The Sacred Valley was undoubtedly a key area of settlement to the Incas; its combination of agreeable climate and fertile plains bestow an unusual abundance for the high Andes. Here the Incas sculpted the mountain flanks with vast contour terracing and irrigation channels. Our driver and guide will suggest you the best points for pictures.

Later on, we will drive towards the ruins of **Pisac**. At the ruins you will see and learn about different aspects of Inca culture. You can see a great fine art of stone works and impressive agricultural terraces all over the place. After touring around we will get back to the car and will drive back to the modern town of Pisac, where there is a peculiar market that deserve to be visited. At the market you will have free time to walk around and do some shopping. Afterwards we will meet for lunch in a nice local restaurant to enjoy good Andean food.

After lunch we will continue our tour. We will drive along the Urubamba River towards the town of **Ollantaytambo**. Once we get there we will visit the ruins of Ollantaytambo, an important Inca construction built during the Inca's heydays. This is an extraordinary Inca place where besides the ruins you may also see an amazing rock formation representing the Inca god Wiracocha.

### DAY 03.- OLLANTA – MACHU PICCHU – CUSCO

Depart from the local bus station that go up to the ruins of **Machu Picchu**. The bus ride to the sanctuary of Machu Picchu lasts around 25 minutes and it follows a steep winding path, offering spectacular views of the surrounding mountains. Upon our arrival, we will get into the archaeological zone of Machu Picchu and our guide will show us the most important sectors of this great Inca City, such as the great Intiwatana (solar clock), the Sun Temple, the urban sector, the agricultural sector among others. Machu Picchu was long thought to be legendary. Then in 1911, the explorer Hiram Bingham stumbled upon it remains. Machu Picchu stands 2,430 m above sea-level, in the middle of a tropical mountain forest, in an extraordinarily beautiful setting. It was probably the most amazing urban creation of the Inca Empire at its height; its giant walls, terraces and ramps seem as if they have been cut naturally in the continuous rock escarpments. The natural setting, on the eastern slopes of the Andes, encompasses the upper Amazon basin with its rich diversity of flora and fauna. The guided tour in Machu Picchu will last about 2 hours, and afterwards you will have free time to explore the ruins on your own.
